

## **Notice .. Automated Speed Enforcement Program ..**

The Town of Chesapeake Beach Maryland has established an Automated Speed Enforcement Program. This Program includes the use of a speed monitoring system which monitors vehicles in violation of Maryland law TA 21-809, which covers speed violations in designated school zones. Chesapeake Beach will begin operation of its Automated Speed Enforcement Program with a 30-day warning period starting on Friday, **February 10th, 2012**. The location of the Speed Enforcement System will be within the School Zone associated with Beach Elementary School on Maryland State Highway 261. In accordance with State Law, beginning on **Monday, March 12, 2012**, Chesapeake Beach will issue \$40.00 civil citations to vehicles that exceed the posted speed limit by twelve (12) miles per hour or more.
